

Business Development Manager

CAM Fork Lift Trucks are looking to recruit a Business Development Manager to join the Sales Department team.

The Role

We are seeking a self-motivated person who has a 'can do' attitude, determination to succeed and the desire to fulfil their own potential.

Duties will include multi-channel canvassing, making appointments plus establishing customers'/prospects' immediate and long-term needs. You will be expected to actively promote CAM's full range of products and services.

Applicants must have good communication skills and be IT literate. Updating of our CRM system will be an integral part of the role which means that accuracy of data inputting is essential.

A full clean driving licence is also essential.

This is an exciting opportunity with excellent career progression prospects.
