

Class II HGV Driver

CAM Fork Lift Trucks Limited, appointed TCM dealer for the South & West Yorkshire Region, is looking to recruit an experienced Class II HGV Driver. This is a varied role within a friendly and supportive Company.

To apply: Please email joy@camforklifts.co.uk with your CV and an explanation of what relevant attributes you possess.

Core Duties

- The Company operates a rigid 8-wheel enclosed body Beaver tail HGV.
- The role will be split 60% driving and 40% engineering in our Sheffield Workshop.

For this vacancy you will need:

- Movement of plant and machinery or similar mobile equipment is required (forklift truck movement advantageous however not essential).
- Safe loading and unloading of plant and machinery.
- Fully qualified with a minimum two years' HGV driving.
- Conversant with digital tachographs/digi-card and up-to-date CPC.
- Good mechanical aptitude with fault-finding abilities, capable of working on LPG/Diesel/Electric machines.
- Transferable skills from other industries and the military are welcome.
- We require candidates to live within a maximum of 45 minutes from our depot in Attercliffe, Sheffield.
